Queensland Law Society®

Lessons learnt from crises: How to adapt and emerge stronger

Overview

Drawing from his experiences of past crises and challenges amidst times of uncertainty, volatility and rapid change, join Randal Dennings as he shares his top four tips on how to adapt your practice and emerge stronger from the current pandemic.

Randal will:

- focus on providing practical guidance and suggestions which you can implement in your practice right now
- draw on war stories from past crises and highlight key lessons learnt
- assist you and your firm to develop your own fit for purpose pandemic recovery plan.
