Chair: **Sharon Sangha**, Professional Development Solicitor, Queensland Law Society

60mins

Business continuity in uncertain times: choosing and using cloud services

Whether it is a full cloud-hosted practice management system, Office 365, accounting, video conferencing or email at some point client data is likely to end up on a remote network. There is nothing inherently less secure about cloud data providers but it cannot simply be assumed that a provider will adequately respect or protect your client's confidentiality. This session will give you practical guidance on how to choose a service provider, how to self-assess security and balance other commercial considerations.

Presenter: **David Bowles**, Special Counsel - Ethics, Queensland Law Society
