Guide to trust accounting compliance

QLS' trust accounting expert, Michael Drinkall, will provide you with practical knowledge and skills you need to ensure the management of your trust account is compliant. Focusing on common mistakes and current issues, this session will give you the confidence you need to identify and manage trust accounting issues, including:

- digital storage of records
- stakeholder ledgers
- monthly reconciliations
- unpaid outlays
- new policies.

Presenter: **Michael Drinkall**, Team Leader, Trust Account Investigations, Queensland Law Society
