

LawHack! #1

Friday 18 June 2021 | 5.30-8pm
Law Society House, Brisbane

Overview

Put your legal brain to the test and compete as a team or as an individual while you explore three multifaceted and intriguing new-law problems that require out of the box thinking to solve!

Hosted by a Guest Judge renowned for leading the legal innovation frontier, you will have ten minutes to use whatever resources you have on hand (online legal databases, phone a friend, Google, office precedents, random brain explosions of pure genius etc) to design your solutions before a lucky few will be chosen to join the big pitch...

Each round has a solution deemed the most innovative – and then, in a Battle Royalé, our Guest Judge and Duelling MCs will select an overall winner who will be crowned the *LawHack!* champion and enviable prize recipient*!

**Prize may not actually be “enviable” or even worthy of being deemed a “prize”. But you will definitely get the all-too-sweet sense of intellectual superiority – and isn’t that what it’s all about?*
